

Career Interest Checklist

Instructions: Here are some fields/subjects/disciplines given in each part. Indicate to what extent you are interested in the field by using the following options in the answer sheet. Please do not think whether you have the required skills and opportunity for the field. When you answer, please do NOT give socially desirable answer. There is no right or wrong answer. This test is not to judge you but to help you understand yourself. So please be honest and open. Do not think too much! Whatever comes to your mind first is generally the honest answer. Do not write anything on this paper. If you do not understand the meaning of any item, please complete all the known ones and finally ask whatever you do not know. It will be answered by the facilitator.
