

Career Personality Checklist

Instructions: Here are some sentences given. Think about your character from others and your perspective and answer how much true they are using the number options given below. Do not write anything on this paper. Answers should be written only in the Answer Sheets. Please do NOT give socially desirable answer. There is no right or wrong answer. This test is not to judge you but to help you understand yourself. So please be honest and open. Do not think too much! Whatever comes to your mind first is generally the honest answer. If you do not understand the meaning of any item, please complete all the known ones and finally ask whatever you do not know. It will be answered by the facilitator.

100% True– 5	40% True– 2
80% True– 4	20% True – 1
60% True– 3	0% True – 0
